# **OUR SERVICES**

supplierCredibility: Topline accessories developing team take great care to ensure the quality, desired weight, construction, and color, we evaluate the capacity and capability of every factory of topline accessories also check environmental control, safety laws, labor practices, and adherence to labor laws. We make sure that our supplier can meet our requirements when it comes to reaching the average number of pieces produced as per the buyer's requirement at a given period of time to meet the schedule.

**Sourcing:** Topline accessories maintain strong exclusive relationships with many of the yarn, fabric, accessories mills, and accessories suppliers. Upon placement of orders, we check the right way and control

the quality of all garment inputs such as yarn, fabric, accessories, labeling, and coordinate timing of their procurement and its timely delivery. We let buyers choose and decide what kind of accessories and labels to use as far as style, color, design, etc.

Sampling: We develop and provide samples as per buyer's design, fabric quality, weight, shrinkage, colorfastness, specificatons, etc. to obtain buyers' approval before heading to production through our professional staff of Merchandisers and Quality Controllers who always keep a close check on sampling and production. Quality Control/Assurance: Our Quality Controllers visit the factory regularly to make sure we meet our buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all products will meet according to buyer's requirements. We always want to deliver satisfaction to our customers; we monitor the order from sourcing of raw materials and accessories to production and up to the final shipment of goods.

We also monitor and report the status of the order to the buyer with systematic follow-up on every stage.

**Packaging:**Only approved goods are packed and the buyer is assured of getting quality merchandise. Care is

**Shipment/CargoHandling:**All shipping documents are reviewed and verified as per buyer instruction.All cargo is handled by a reputable forwarder to obtain correct information because time delivery is as important for us as it is to the buyer
